

## MISSION

---

Be a discretionary passenger and school transport company, whose mission is to satisfy the needs of our clients. We offer an agile, effective response and safety service.

## VIEW

---

To be a reference in the transport market on the Island of Tenerife. Standing out for the punctuality in the development of the service, our good business, availability, flexibility and the correct condition of our fleet of vehicles.

## VALUES

---

- Offer the highest quality in our services •
- To progress day by day seeking the satisfaction of our customers •
  - Project enthusiasm in the workplace by fostering fellowship •
  - Transparency in all processes •
